BlueAdvantage Prime (PPO)SM

This is a summary of drugs and health services covered by BlueAdvantage Prime Preferred Provider Organization (PPO) Prime West health plan January 1, 2025 through December 31, 2025.

BlueAdvantage Prime is a Local PPO plan with a Medicare contract. Enrollment in BlueAdvantage Prime depends on contract renewal.

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, go to **bcbstmedicare.com** or call us and ask for the “**Evidence of Coverage.**”

To join BlueAdvantage Prime, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and you must live in our service area. Our service area includes these counties in Tennessee:

Bedford, Benton, Carroll, Cheatham, Chester, Coffee, Crockett, Davidson, Decatur, Dickson, Dyer, Fayette, Gibson, Giles, Hardeman, Hardin, Haywood, Henderson, Henry, Hickman, Houston, Humphreys, Lake, Lauderdale, Lawrence, Lewis, Lincoln, Madison, Marshall, Maury, McNairy, Montgomery, Moore, Obion, Perry, Robertson, Rutherford, Shelby, Stewart, Sumner, Tipton, Trousdale, Wayne, Weakley, Williamson and Wilson

This document is available in other alternate formats.

This document may be available in a non-English language. For additional information, call us at **1-800-831-2583**, TTY **711**.

BlueAdvantage plans have a network of doctors, hospitals, pharmacies, and other providers. If you use the providers in our network, you may pay less for your covered services. In most cases, you can use providers that are not in our network as long as they accept Medicare. You may pay more for care from an out-of-network provider.

Out-of-network/non-contracted providers are under no obligation to treat BlueCross BlueShield of Tennessee members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Services number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

**If you have any questions about this plan's benefits or costs,
please contact BlueCross BlueShield of Tennessee.**

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to our representative at **1-800-292-5146, TTY 711.**

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **bcbstmedicare.com** or call **1-800-292-5146, TTY 711**, to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium*, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2026.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- Effect on Current Coverage: If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

*BlueAdvantage Sapphire (PPO)SM and BlueAdvantage Garnet (PPO)SM plans have a \$0 plan premium.

Note: For BlueAdvantage Prime (PPO)SM there are limited times when you can add or remove the Optional Supplemental Benefits: Dental and Vision package.
